

## Deep Run Wildcat Booster Bash Sponsorship Letter

Dear Community Neighbor,

On **April 28th, 2018** the Deep Run Athletic, Band and Vocal Booster clubs will be hosting a social event to help fund activities and programs for our students. Over half the students at Deep Run High School participate in one of our **athletic teams**, our **band** or our **vocal music program**. With your Sponsorship, you help to enrich the high school extracurricular experience for a large number of students in our community. With your help the Deep Run Booster Clubs will be able to continue to support our students and provide the resources needed to continue with these programs.

On behalf of the Deep Run Booster Clubs, we are inviting your business to join us as a sponsor for this event. By sponsoring, you will be promoting your company to over 1000 families as well as showing your support for our community and educational success. Our Booster Clubs are non-profit organizations; therefore your donation is tax deductible. Your support is greatly appreciated.

Please consider showing Deep Run's friends and neighbors, your company's commitment to quality education by becoming a sponsor. We are offering various levels of sponsorship listed below.
